

Our school lives are theologically rooted by the message of

1 Corinthians 12:12

'There is one body, but it has many parts. But all its many parts make up one body.'

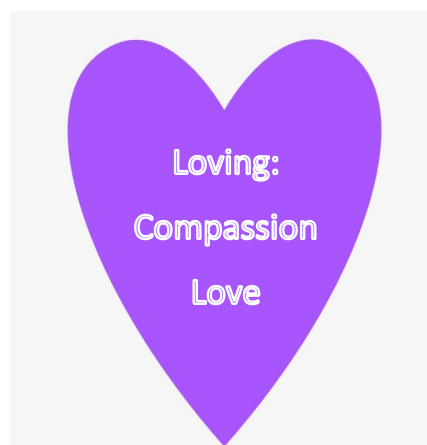

This inspires our school vision:

**'Learning, Loving & Growing Together,
Strengthened by God's Love.'**

At Holy Cross CE Primary School, we strive to ensure our children, their families and our wider community can deepen their own positive values and unlock great potential.

Acknowledging everyone as unique, we will welcome, love and respect all God's children and we help them thrive in a purposeful and peaceful environment.

We live out our school vision through our six school Christian values:

We provide:

- Excellent teaching that develops confident learners who can compete at a national level
- Children and adults who take responsibility and pride in their achievements
- A coherent, sequenced, progressive curriculum that facilitates the highest standards of progress and achievement
- The highest level of compassionate pastoral care for children and adults
- A school culture that values holistic development and leadership at all levels
