

Our EYFS curriculum lays the groundwork for the Year 1 to Year 6 Design and Technology curriculum. Through a cross-curricular approach, our youngest children develop foundational skills in design and technology, fostering creativity, problem-solving skills, and a love of exploration that helps them learn

EYFS – Music Skills and Knowledge		
Development Matters	Expressive Arts and Design	- Explore us & refine a variety of artistic effects to express their ideas & feelings - Return to & build on their previous learning, refining ideas & developing their ability to represent them - Create collaboratively, sharing ideas, resources
	Expressive Arts & Design: Creating with Materials	- Safely use & explore a variety of materials, tools & techniques, experimenting with colour, design, texture, form & function - Share their creations, explaining the process they used
Early Learning Goals	Communication & Language: Speaking	- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary - Offer explanations for why things might happen
	PSED: Managing Self	Be confident to try new activities and show independence, resilience and perseverance in the face of challenge
	Physical Development: Fine Motor	- Use a range of small tools, including scissors, paint brushes and cutlery - Begin to show accuracy and care when drawing
	UW: The Natural World	Understand some important processes and changes in the natural world around them
